## INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Kerry's Place Autism Services

We have audited the accompanying financial statements of Kerry's Place Autism Services, which comprise the statement of financial position as at March 31, 2017, the statements of operations, changes in net assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Page 2

*Basis for Qualified Opinion*

In common with many charitable organizations, Kerry's Place Autism Services derives part of its revenue from the general public in the form of donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of this revenue was limited to the amounts recorded in the records of Kerry's Place Autism Services. Therefore, we were not able to determine whether as at or for the years ended March 31, 2017 and March 31, 2016, any adjustments might be necessary to donation revenue and excess of revenue over expenses reported in the statements of operations, excess of revenue over expenses reported in the statements of cash flows and current assets and net assets reported in the statements of financial position. This caused us to qualify our audit opinion on the financial statements as at and for the year ended March 31, 2016.

*Qualified Opinion*

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Kerry's Place Autism Services as at March 31, 2017, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to Financial Statements

Year ended March 31, 2017

---

Kerry's Place Autism Services ("Kerry's Place") is a not-for-profit charitable organization, incorporated without share capital under the laws of Ontario and is registered with Canada Revenue Agency as a charitable organization. Kerry's Place operates residential, respite and community services across Ontario serving people with autism.

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations in Part III of the Chartered Professional Accountants of Canada Handbook - Accounting.

## 1. Significant accounting policies:

### (a) Revenue recognition:

Kerry's Place follows the deferral method of accounting for contributions, which include donations and government grants.

Unrestricted contributions are recognized as revenue when received or receivable provided the amount to be received can be reasonably estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue in the year in which the related expenses are recognized. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue at a rate corresponding with the amortization rate for the related capital assets.

Kerry's Place is funded primarily by the Province of Ontario in accordance with budget arrangements established with the Ministry of Community and Social Services and Ministry of Children and Youth Services (the "Ministries").

## 1. Significant accounting policies (continued):

### (b) Financial instruments:

Financial instruments are recorded at fair value. Transaction costs are expensed as incurred.

Accounts receivable are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, Kerry's Place determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount Kerry's Place expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, but not exceeding the initial carrying value.

### (c) Capital assets:

Capital assets are recorded at cost less accumulated amortization. Amortization is provided annually as follows:

Asset	Basis	Rate
Buildings	Straight line	40 years
Computer equipment	Declining balance	30%
Office and other equipment	Declining balance	20%
Automobiles	Declining balance	30%
Computer software development	Straight line	3 years
Pool	Straight line	5 years
Sensory garden	Straight line	25 years

### (d) Donated materials and services:

Donated materials and services received by Kerry's Place, for which fair value cannot be reasonably determined or that are not used in the normal course of Kerry's Place's operations, are not recognized in the financial statements.

## 1. Significant accounting policies (continued):

### (e) Inter-Regional eliminations:

This represents the elimination of expenses to operate residential, respite and community services across regions of the Ministries.

### (f) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

## 2. Marketable securities and financial risks:

	Market value	
	2017	2016
Fixed income securities	\$ 103,263	\$ 724,520
Equities <sup>(1)</sup>	183,414	147,148
	<u>\$ 286,677</u>	<u>\$ 871,668</u>

<sup>(1)</sup>Equities have been donated to Kerry's Place.

Investments in fixed income securities consist of Canadian provincial and municipal authority securities with maturity dates between December 2018 and April 2022 and a weighted average effective rate of 5.36%. Kerry's Place's policy is to minimize risk when making investments. Investments in equity securities consist of equity securities donated to Kerry's Place on the understanding that they will be held by Kerry's Place and not sold. During the year, certain fixed income securities were redeemed resulting in gains on disposal of \$427,132 (2016 - nil).

# KERRY'S PLACE AUTISM SERVICES

Notes to Financial Statements (continued)

Year ended March 31, 2017

---

## 2. Marketable securities and financial risks (continued):

### (a) Maturity and interest rate risk:

The value of fixed income marketable securities will generally increase if interest rates fall and decrease if interest rates rise. Certain of Kerry's Place's mortgages payable are subject to variable interest rates based on the bank prime rate. As a result, Kerry's Place is exposed to interest rate risk due to fluctuations in the prime rate.

### (b) Market price risk:

Market price risk is the risk that the value of an instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to an individual investment, its issuer or factors affecting all instruments traded in the market. As all of the financial instruments held by Kerry's Place are carried at fair value with fair value changes recognized in the statement of operations, all changes in market prices will directly result in an increase/decrease in the excess of revenue over expenses.

### (c) Liquidity risk:

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities.

All of Kerry's Place's marketable securities are considered to be readily realizable as they are listed on Canadian stock exchanges and can be quickly liquidated at amounts close to their fair value in order to meet liquidity requirements.

### (d) Credit risk:

Credit risk is the risk that an issuer or counterparty will be unable or unwilling to meet a commitment that it has entered into with Kerry's Place. Kerry's Place's credit risk pertains to its holdings of fixed income securities of Canadian provinces and municipal authorities.

## 3. Capital assets:

Funding for the acquisition of certain properties was received from the Province of Ontario. If those properties are sold, a portion of the proceeds based on previous funding grants may be repayable to the Ministries.
