

Demonstrated through:

- A commitment to our Statement of Rights
- Individual's preferences at the centre of support and goal planning
- Staying focused on our community's changing and anticipated needs

Facilitating individual decision-making through:

- Encouragement in ISP/PDP participation
- Ensuring informed consent along the continuum of care
- Seeking individuals' preferences and goals

Organizational mechanisms to support integrity such as:

- IDEAS: Ethical Decision Making Framework
- Standards and Best Practices Committee
- Following evidence-based practices

Demonstrating Respect
by celebrating diversity, supporting inclusion and advancing the dignity and uniqueness of all persons

Empowering Choice
by providing opportunities and supporting the right of all persons to make informed decisions

Demonstrating Integrity
through truthful, accountable and ethical actions and relationships

PERSON SUPPORTED

Striving for Excellence
through continuous learning and quality improvement

Promoting Collaboration
through person centred care and partnerships, seeking input and valuing diverse perspectives

Priority lens on:

- Building capacity and promoting independence along the continuum of care
- Bio-psycho-social model
- Seeking input and feedback through our advisory committees and service users

Established through:

- Individualized Support Planning
- Open communication with our families and individuals
- Active engagement with our communities
